

## FIRE CHIEF'S REPORT

Concord Fire & Rescue responded to a total of 118 calls in 2015. They were broken down as follows:

Structure fire	1		Powerline down/problems	4
Mutual Aid	4		Fuel Oil Leak	1
Vehicle accident	9		Trash Fire	1
Standby in Station	1		Rekinkle	1
Chimney fire	3		Smoke in house	2
Grass / brush fire	2		Carbon monoxide detector	3
Car Fire	1		Assist EMS	1
Smoke investigation	3		Smoke/Fire detector activation	6
Snow Machine 10-50	1		Rescue	74

This was a total of 464 man hours which doesn't include meetings, training, and work sessions. I would like to thank the families for the time and events that members missed.

We received an Assistance to Firefighters Grant this year in the amount of \$54,500 which enabled us to update our SCBA. The new units were delivered the end of December and will be put in service in January when we are done training on the new equipment. With this grant all members will have their own face pieces that will improve health and safety as we will not have to share masks.

The department now has a Face Book page for anyone that wants to check it out search Concord Fire & Rescue you will find information and pictures of the department.

We are still short members for fire and rescue an encourage anyone to contact a department member. There is a meeting schedule on the department link on the town web site everyone is invited to stop and talk to us.

We are still having problems finding houses. PLEASE put 911 numbers up and make sure they can be seen year round.

Chief Richard H. Fisher
