Dear Concord Selectboard,

On behalf of Essex County Natural Resources Conservation District, I kindly ask you to consider us when voting for appropriations in the upcoming 2020 year. I am asking you to vote to support us with funding in the amount of \$1,000 at the next town budget meeting. The funds will be used to assist in continued support for the Stormwater Engineer Design and for applying for the Better Roads grant in the upcoming year.

The Essex County NRCDC is administered by a locally elected Board of Supervisors including Bill Manning (Island Pond), Chris Von Alt (Maidstone), Dan Kilborn (Island Pond), Ursula Johnson (Canaan) and Timothy White (Maidstone). We receive a small grant from the State of Vermont each year (\$7,000 in 2019), but must raise the remaining funds for our services and projects from grants, fees and donations.

This past year we assisted the Town of Concord with the second phase of the Stormwater Master Plan for Folsum Ave. We hope to continue this relationship and increase funding with future projects.

Thank you very much for your consideration and for your support. Please feel free to contact me by email if you have any questions. I look forward to hearing from you and working with you in the coming year.

Sincerely,

Heather Johnson
