Green Up Vermont celebrated its 50th Anniversary of Green Up Day on May 30, 2020. Although 99% of all events were cancelled due to Covid-19, Green Up Day was successfully executed with social distancing by 14,000+ volunteers, cleaning up over 241 tons of litter, and 9,000 tires statewide. It is imperative for all of us to keep building awareness and stewardship for a clean Vermont environment. Green Up Vermont is a private nonprofit organization that relies on your town's support to execute the tradition of cleaning up our roads and waterways, while promoting civic pride and engagement.

Support from municipalities is essential to our program. Funds help pay for administration, supplies (including 65,000 Green Up trash bags), promotional outreach, and educational resources including activity books, poster and writing contests, and a \$1,000 scholarship.

Early awareness initiatives for Green Up Day tripled the number of submissions to our annual poster art and writing contests and produced 184 applicants for our first scholarship. We were able to offer "Greener" bags made with 70% post-consumer waste; add a Green Scuba team to clean in Lake Champlain; and had over 100 editorial stories in the news as well as a national mention in the *Washington Post*.

Donations can be made to Green Up Vermont on Line 23 of the Vermont State Income Tax Form or anytime online at [\*\*www.greenupvermont.org\*\*](http://www.greenupvermont.org).
