

To the Voters of Concord

For 70 years, the Northeastern Vermont Development Association (NVDA) has been a regional advocate for stronger communities and vibrant local economies. As the state's only combined regional planning and economic development organization, we are uniquely suited to simultaneously serve the municipalities and businesses of the Northeast Kingdom.

This year, we are once more requesting dues from our member communities. These funds are vital as they allow our team of professionals to provide direct technical assistance to the 50+ municipalities and the many businesses in our region. Municipal contributions also allow us to leverage other state and federal funds for our region.

Local governance is increasingly complex -- and even more so during a pandemic! Since last March NVDA staff has been swift and agile in meeting the pandemic's unprecedented challenges. We quickly mobilized to help local governments secure expense reimbursements due to COVID and connect so many of our businesses to the available state and federal recovery resources. Our regular services continued without interruption as well. They include, but are not limited to:

- Land use planning and regulation – town plans, zoning bylaws, and on-call technical assistance for local officials;
- Transportation studies, Infrastructure inventories, and Project planning;
- Digital mapping and GIS services;
- Grant writing and administration for community and regional projects;
- Direct business support, referral services, and lending to employers in our region;
- Energy planning and water quality planning to help communities meet evolving statutory requirements;
- Local emergency planning and hazard mitigation planning;
- Brownfield assessments and planning;
- Economic development planning to grow and strengthen businesses in our communities;
- Municipal education and training opportunities for local officials;

How is this relevant to your community?

NVDA staff provided Grants in Aid Assistance. Grant administration. Assisted with updating the Local Emergency Management Plan which was adopted by Vermont Emergency Management. Provided daily COVID 19 information such as grant assistance and health information and provided information to the Fire Department on grants that were available to Fire Departments

NVDA's municipal dues remain at a very affordable \$0.75 per capita rate, with a maximum of \$3,500 and a minimum of \$250. We take great pride in providing cost-effective professional services to the communities and businesses of the Northeast Kingdom. We take pride in keeping communities aware of new opportunities through our e-newsletter and social media. Contact us at tgonyaw@nvda.net to receive our e-newsletter and like us on Facebook.

Sincerely,
David Snedeker
Executive Director
