Frederick Schwag, 80 South Street

Nothing new

Claire Prince, 496 Oregon Road

Select board agreed to me recording violation

Shirley Bunnell, 210 Main St

Dumpsters removed

She requested additional time to respond

Miles Pond Dam

The Vermont Department of Environmental Conservation, Dam Safety Program is proposing maintenance for the summer 2021, including:

- Replacing wood stoplogs with aluminum
- Removing sediments along the dam
- Installing a coffer dam and turbidity curtain so work can be performed
- Chain-link fence repairs
- Brushing
- Minor dam concrete repairs/patching
- Installing a buoy safety float system

I've received a few calls and emails regarding permit requirements, but nothing has been submitted.
