RABIES CLINIC DATE

Currently it looks like we will be without a rabies clinic available to our community.

For your convenience, you will be able to license your dog(s) at Town Meeting. Please be sure to have a copy of a current Certificate of Rabies with you.

You can license your dog(s) by coming to the office or by mailing a check or money order to PO Box 317. If your rabies vaccine needs updating please send a current Certificate of Rabies with your payment.
